

## We need your help!

For the fourth year, SEPTA will be creating a T-shirt for Autism Awareness Day. We would like to invite all students in our ALC classrooms to create a piece of art that will be included on the T-Shirt. We would like the students to draw their favorite thing. Whether it's a detailed drawing or a scribble, we want the drawings to be their own. No names will be included on the artwork. We will include all drawings we receive so the drawings will be shrunken down to fit the design selected. Participation is completely voluntary.

All drawings must be done inside the attached square, printed on white paper. All drawings must be done with a fine point black sharpie or a black ink pen. Please do not color in the drawings as they will be printed in black and white. **All drawings must be scanned and emailed to [3VillageSEPTA@gmail.com](mailto:3VillageSEPTA@gmail.com) by Monday, January 24th, 2024.** If you do not have access to a scanner, please send an email to [3VillageSEPTA@gmail.com](mailto:3VillageSEPTA@gmail.com) Any drawings received after January 31st will not be used. T-shirts will be on sale the middle of February to the entire district. If you have any questions, please contact us at [3villagesept@gmail.com](mailto:3villagesept@gmail.com).

Thank you and your children in advance for your help!

Regards,

SEPTA Board Members
